

# FBG Children's Missions Blast! 2020

## June 15-18

For Children Who've Finished

## Grades 3, 4, & 5

Below is our tentative schedule. A finalized schedule is coming soon!

We all want to follow Jesus, but how do we stick with it when it's not so easy? This week we'll spend hear BRAVE stories from the Bible about people who found courage in tough times. Sometimes they messed up and sometimes they stood strong, but their lives have much to teach us about ourselves and God, who loves us completely.

Join us as we play games, make things, go on missions field trips, sing, eat, and enjoy each other!
