How can parents/guardians give back to FBG's Youth Family?

For our Youth Family to be effective, it takes participation from everyone. Sometimes that participation comes in the form of being present on a Sunday, or Wednesday. But, often we need participation around all the events we do with your youth. This could be helping unload a bus after a trip, or decorating a table for an event. So, if there is something you like to do or if you excel in certain skills like organizing, cooking, carrying heavy loads, listening, teaching, or hosting please list them below.

Please complete one form per youth and return to Youth Office at your earliest convenience
