We understand this is your summer vacation however, it is very important that you make every effort to participate in all youth ministry activities during the summer. Our major trips are published in advance of the summer so you can make arrangements with family and friends.

On a separate sheet of paper, briefly explain your faith story. Include your involvement in your church and community. Share reasons of how you will benefit from being part of our Youth Mentor Team, what gifts you will bring to the team, and what you hope to learn from this experience.

Returning Applicant: Please explain how your previous YMT experience has impacted you, how you will use what you learned during another summer YMT experience, and why are you considering to return for another summer?

**Applications will be submitted to the First Baptist Greenville Internship Committee.
Please complete and return to the Youth Ministry Office no later than Sunday, March 24, 2024.**
