Prayer of Approach Andrew Tonks

Most wonderful God, the beauty we see in Jesus is your beauty veiled in human flesh,

The love we witness from Bethlehem to Golgotha is your love contracted to a span.

If Christ’s life is so holy as to fill us with wonder, how much more would your unveiled beauty leave us overwhelmed and trembling?

You are more than the eye could bear, more than the mind can ever fathom.

Yet you have so carefully made us that although we cannot fathom you,

We can yet love you.

Gratefully we bring our little lives to you, asking that our worship may arise from love and be shaped by love, and be directed towards that larger loving which is our soul’s desire.

Through Jesus Christ our Lord we pray. Amen!
